

Elmer Beach resident

20 August 2019

Planning Application, M/51/19/CLE

Dear Mr Denton,

With reference to the above application to fence off part of the beach at Glendershe, Manor Way, Elmer.

Please register an objection.

I note that Glendershe, now called Sea Song is no longer sole use for the family but is a well-appointed holiday let on Airbnb. The enclosed photos are taken from the Airbnb website and show the extent of the new beach occupation.

Without wishing to curtail the fun of living on the beach, this portion of beach has never been enclosed to the extent of this application and if passed, the application may well set a precedent for future developments.

Yours faithfully,
