

Elmer Beach Resident

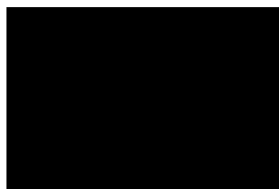

4 Septemeber 2019

Planning Application, M/51/19/CLE

Dear Mr Denton,

Enclosed please find a photo taken within the past eighteen years which shows no beach enclosure attached to Glendershe. In fact there were no beach enclosures along this stretch of beach. I can't actually date the photo but the four properties top left of the photo were built in 2002.

Yours sincerely,

Glendersha
