Dear Damian

**Re: M/52/13 NMA
Appl' for Non-Material Amendment following Granting Planning Permission M/81/12 - Change to Plot 1**

I understand you are the planning officer dealing with the above application.

Noting a L/A decision for this type of application cannot be further considered by Appeal I would be grateful if you would make contact prior to a decision should you have any queries and/or possible concerns during the application process.

I attached a series of relevant 'pre-app' copy emails between Juan Baeza and myself to form part of the application submission, please confirm you have these and in particular Juans' email dated 31st July 13 where it was said that, "These changes can be dealt with by way of a minor amendment application" along with an appreciative apology for the delay in providing a response due to Mrs Leeson's on-going absence.

With thanks,

Yours sincerely
