Good afternoon Anita/Laura,

The attached have the information you require I hope:

- The 'Rainwater Harvesting' soakaway report has the size, construction (Graf Rain Bloc 300 crates with non woven geotextile terrex NW8) & necessary calculations.
- Surface water drainage checklist
- Location plan with size & depth of test pits
- Drainage plan with building regs document (page 2 has rainwater goods, surface water drains, foul drainage & above ground drainage information/spec).

If you require any other information could you please advise in the first instance.

kind regards,
Bruno Raworth
