| <b>Notes</b>                                                                                                                                                                                     |  |
| 1. These are computerised drawings for the purposes of obtaining planning & building regulations approvals & are based on certain overall measurements. They do not constitute working drawings. |  |
| 2. Distortion and uneven walls etc. have been ignored with some average measurements.                                                                                                            |  |
| 3. Dimensions shown must not be relied upon and must be checked on site and verified prior to commencement of work.                                                                              |  |
| 4. Where applicable this drawing is to be read in conjunction with other consultants' drawings & calculations.                                                                                   |  |
| 5. Do not scale from these drawings, except for planning purposes                                                                                                                                |  |
| 6. Any Work undertaken prior to Planning and Building Regulations Approval is done so entirely at the Client/Contractors own risk                                                                |  |
| 7. The client is reminded of their obligations under the Party Wall etc. Act 1997 where appropriate.                                                                                             |  |
