Dear Mr Burley,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: Creation of 4 No. parking spaces in existing site area. This application is in CIL zone 4 (zero rated).
Location: 1-22 Greenfields Penn Close Middleton-On-Sea PO22 7SS

Thank you for your recent application which I received on 10th July 2025. It is being validated by Jonny Cooper who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

Biodiversity Net Gain Metric Tool

A fully completed statutory biodiversity metric calculation tool must be provided in excel and pdf format, as it would appear the application affects over 25 sqm of habitat. Further details and links to the metric tool can be found in the Validation Requirements List.

Biodiversity Net Gain Information

It is a statutory requirement that supporting biodiversity information is provided and this includes the following:

The pre-development biodiversity value of onsite habitat.

A statement confirming whether any destructive or degrading activities have taken place which would impact the biodiversity value on the site.

A description of any irreplaceable habitat.

A plan showing on site habitat.

Further information on exactly what is required can be found in the Validation Requirements List and it is likely you will need to appoint a specialist to assist in providing this information.

For further detailed information on validation requirements please go to our website and refer to the

requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **25th July 2025** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning
