11th July 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Demolition of existing flat roof garage & construction of replacement single storey pitch roof side & rear extensions

8 Beaconsfield Close Middleton-On-Sea

Thank you for your internet representation made on 10th July 2017 which has been recorded as '**an objection**' with the comments as follows:

This application would have an adverse affect on most of our properties in the surrounding area

To demolish a small garage and erect a large building with pitched roofing would impact our view and lighting into the rear rooms of our property

There is no other bungalow in the close with such a large extension as the one proposed at no 8

Parking would be compromised and dangerous because the owners have a transit van and a large estate car to park and without the garage they would have to park on the road potentially causing obstruction

My husband and I are ill with dementia, asthma and stress related problems and therefore this would potentially add to our stress and affect my asthma during the works

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
