Dear Mr Matthews

Thanks for the mail apologies I was away on Friday. I have written up the application with a positive recommendation over the weekend. However, I noticed one minor issue when drafting the conditions. I notice the amend plans 1721 P 01, 04 and 05 have the same dwg number as the original to avoid confusion could these be changed to show Rev A? if you can forward the amended plans to me by e mail I will submit my report to managers straight away.

I also appreciate the delays but would you be willing to agree an extension of time until Wednesday 6 to allow managers to review the report.

Thanks and any query please let me know.

Kind regards

Mark
