

This architectural floor plan illustrates a multi-room residence. The layout includes a large reception area at the front, a balcony, and a central corridor connecting various rooms. Key features include:

- Reception 3:** The front entrance area, measuring 3835 units in width.
- Bedroom 4:** A large bedroom measuring 3409 units in width and 2023 units in depth.
- Bedroom 3:** A bedroom located above Bedroom 4.
- Bedroom 2:** A bedroom located to the left of Bedroom 4, with a width of 1218 units.
- Master Suite:** A large bedroom area with an attached dressing room and bathroom.
- Bathroom:** A bathroom located between the dressing room and Bedroom 3.
- Balcony:** An outdoor space accessible from the reception area.
- Corridor:** A central hallway providing access to the bedrooms, bathrooms, and reception area.

The plan also shows architectural details such as doors, windows, and stairs, indicating a multi-level structure.
