Dear Sir/Madam,

Re: Proposed single storey extension located at 8 Stablefield, Middleton on Sea, PO22. 6LD.

I wish to make a comment regarding the above proposed extension, whilst I have no objection to this development, I would like my comments taken into account.

I reside at No. 7 Stablefield, my drive is to the side and front of my property, my drive extends in front of No.8 - my concerns are access for my vehicles to my property during the building process and the possibility of not being able to get my vehicles in and out as and when I require to. My property is in the corner of the cul-de-sac. The extent of the plans for the extension would mean many tradesmen and their vans working within the cul-de-sac for many weeks. I also wish to make sure the applicant is aware that under no circumstances should his tradesmen park or unload on my drive.

I await to hear from you - thank you.

Yours faithfully
Helen M. Burrows.
