Dear Sirs,

Proposal: Single storey rear extension.
Site: 8 Stable Field, Middleton on Sea, PO22 6LD.
M/58/17/HH

Thank you for your letter of 17/07/2017.

Southern water has no objection for the above proposal.

Due to surface water inundation issues in the Lidsey Catchment "The applicant is advised to adopt, where appropriate, the measures in the table "Practical measures to reduce the potential impacts of development".

Developer should look to protect the public sewerage system from inundation and infiltration, which contribute to flooding in unfavourable conditions.

Yours sincerely

Developer Services
