Dear Sirs,

Further to the request received this afternoon, please see attached updated site and floor plans included the following :

- include dimensions from the proposed extension to all site boundaries – These are now shown on RDG Dwg No. 3.001 (Rev 02) and 3.104 (Rev 02)
- [REDACTED]
- CIL Additional Information Form – attached. This isn't the first time that we've uploaded CIL forms through Planning Portal and they haven't been received – perhaps if you find this a frequent issue there may be a problem with the system?

I trust that you will find the attached in order and look forwards to receiving the registration shortly.

Warm Regards,

Andy Young, RIBA | Associate Director
