Subject: M/5/11/NMA - Installation of two roof lights on the rear elevation and three roof lights on the porch roof on the front elevation - Amendment to approved planning permission M/6/09.

Dear Mr Jacobs,

I am in receipt of the non-material amendment for the above.

The rear elevation as approved under M/6/09 Drg No GRJ64SW 201 shows a chimney, has this been deleted.

The front porch as approved under M/6/09 Drg No GRJ64SW 201 differs from the plan submitted in design and now shows a substantial roof. To assess whether this can be accepted as a non material amendment I need to see a floor plan and side elevation showing the amended design.

Regards
