BY RECORDED DELIVERY

Dear Sirs

EE LIMITED & HUTCHISON 3G UK LIMITED
EXISTING STREETWORKS TELECOMMUNICATIONS INSTALLATION AT:
Elmer Road, Bognor Regis, West Sussex, PO22 6DZ- CELL: 71562.

I write to inform you of my client's wish to upgrade their existing installation at the above site. The alterations involve the installation of a 1No. Cabinet adjacent to the existing installation and replacement Phase 5 tower as shown on the enclosed plans.

Any necessary planning consent will be in place prior to any work commencing on site, whether it requires only a notification period to the Local Planning Authority confirming my clients' intention under their permitted development rights or a formal planning application.

As an Operator (as such term is defined in the Telecommunications Act 1984 (as amended by the Communications Act 2003)) and pursuant to paragraph 9 to Schedule 2 of the Telecommunications Act 1984 my client has the right to execute works for the purpose of installing telecommunications apparatus in any street considered to be maintainable highway.

Such works are to be carried out in accordance with the New Roads and Street works Act 1991 and are subject to the provisions of paragraph 3 to Schedule 2 of the Telecommunications Act 1984.

Please accept this letter as notice of my client's intention to carry out these works as per the enclosed plans.

If you require any further information please do not hesitate to contact me on 01925 612025.

Land at Elmer Road
Bognor Regis

Yours faithfully

Dear Sir/Madam,

EE LTD & HUTCHINSON 3G UK LTD:

**GPDO APPLICATION FOR PROPOSED 4G (FOURTH GENERATION)
UPGRADE TO EXISTING EQUIPMENT AT:**

ELMER ROAD, BOGNOR REGIS WEST SUSSEX, PO22 6DZ

This application is submitted under Part 16 of Schedule 2 to the Town and Country Planning (General Permitted Development) (England) Order 2015 and in accordance with the electronic communications code under the Telecommunications Act 1984 Schedule 2 as amended by the Communications Act 2003.

This is an application for a determination as to whether the prior approval of the Authority will be required to the siting and appearance of the upgrade as outlined on the enclosed drawings.

We write on behalf of Hutchinson & EE Ltd, with regard to the upgrade of telecommunications apparatus at the above location. Hutchinson & EE Ltd is a licensed operator of an electronic communications network in accordance with the Communications Act 2003.

Hutchinson & EE Ltd benefits from permitted development rights for this development as set out under the above order. H3G and EE are required to apply to the local planning authority for a determination as to whether the prior approval of the authority will be required to the siting and appearance of the development set out below;

Proposed telecommunications installation upgrade and associated works.

The location has been identified as being necessary for EE Ltd business development and meets its specific technical and operational requirements. The identification of this location for an upgrade follows pre-application discussion with your Department and we now make a formal application to you as planning authority.

Please find enclosed the associated application package comprising: -

- Required number of copies of associated Planning Drawings Ref: 71562, 01-05.
- Required number of copies of the Statement made in support of the application which contains the following;
- ICNIRP Certificate.
- Cheque of (£ 385).

We trust this will be acceptable and look forward to discussing the merits of this proposal with you in the near future. In the meantime should you require any additional information or have any queries relating to this application, please do not hesitate to contact (Damian Hosker BA (Hons) MA MRTPI) at the above address.

Yours Faithfully,
