Dear Sir.

Ref. M/62/19/PL

Planning Application for a 2-story
dwelling in Sundale Lane.

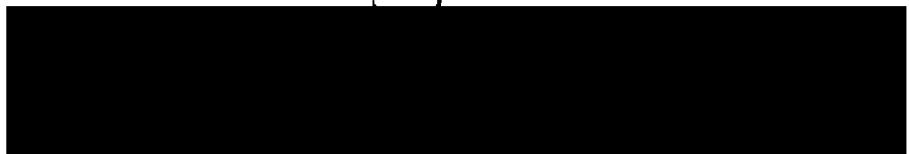

① Sundale Lane runs along the side of my property. The houses in Sundale Lane - at this end - and in Yapton Rd are all bungalows/chalet bungalows. The proposed property would, in my view, not fit in with this style.

② The proposed property would, from the first floor, look directly into my garden

- ③ I cannot see how the existing oak tree could be protected if the house is built in the position shown on the plans.

For these reasons, I oppose the building of the proposed house.

Yours faithfully,
