## KW Tree Care

April 2017,

Dear Mr Haywood,

Hello, just a letter further to my visit to the Manor House, Middleton-on-sea.

When working on the row of mature Sycamores at your house, I identified a large amount of decay at the base of tree F. Please refer to pictures below. I certainly think it is severe enough to warrant immediate felling.

It is worth contacting Arun council and notifying them of the concerns and asking for permission to fell to ground level.

Let me know how it goes, and if all is agreed I will provide you with a relevant quote.

Yours sincerely,

Kevin Wymbs
