Dear Anita

Following receipt of the drawings attached I would now recommend that the detail provides a suitable scheme with detail of planting quantities, densities and size at time of planting and would now recommend the discharge of Condition 4 on application M/63/21/DOC.

Dear Mrs Gardner and Ms Howell,

Thank you both for your return phone calls on the above.

Please find attached further details of the planting scheme and plant quantities at the above property for application reference number M/63/21/DOC Condition 4 as requested.

I trust this provides the information required prior to discharge of Condition 4 and if you could let me know when this condition is able to be recommended, I would be very grateful.

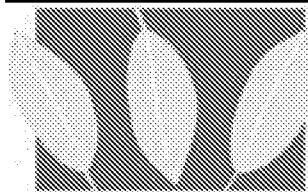

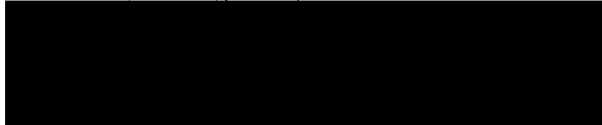

I look forward to hearing from you.

Kind regards,

Emma
