Dear Anita,

Re: M/10/18/DOC 172 Elmer Road, Middleton

Further to your recent request for further information relating to condition 8 on the planning permission at the above address, I now have pleasure in forwarding on the following:

- Site plan highlighting where deliveries will be taken, contractors parking, material storage and wheel washing area.
- As stated in the site management plan, deliveries will be arriving Monday to Friday between 8am and 5pm. All deliveries will be made as the materials are required so there will not be regular scheduled appointments.
- As for the public engagement, I can confirm that we met have met face to face with the neighbours and they are both aware of the project and happy for us to proceed.

I trust that the above information and attached plan will be sufficient to now allow this condition to be passed. Should you wish to discuss any points or require any further information then please feel free to contact me by phone or email.

Yours sincerely,

Terry Farndell
