Dear Sir

Proposal: Extensions and alterations.
Site: Summer Cottage, 14 West Drive, Elmer, PO22 7TS.
M/65/13

Thank you for your letter of 20/09/2013.

Southern Water requires a formal application for any new connection to the public sewer to be made by the applicant or developer.

We request that should this application receive planning approval, the following informative is attached to the consent:

"A formal application for connection to the public sewerage system is required in order to service this development, Please contact Southern Water, Southern House, Sparrowgrove, Otterbourne, Hampshire SO212SW (Tel: 0330 303 0119) or www.southernwater.co.uk".

The Council's Building Control officers or technical staff should be asked to comment on the adequacy of soakaways to dispose of surface water from the proposed development.

Southern Water's current sewerage records do not show any public sewers to be crossing the above site. However, due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site. The applicant is advised to discuss the matter further with Southern Water, Southern House,

Sparrowgrove, Otterbourne, Hampshire SO212SW (Tel: 0330 303 0119) or
www.southernwater.co.uk".
