Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/68/20/PL
Site Address: Poultry Farm 87 Yapton Road Middleton-On-Sea PO22 6DY
Description of works: Demolition of the existing structures & redevelopment to provide a new 66-bedroom care home arranged over two storeys together with associated access, car & cycle parking, structural landscaping & amenity space provision (resubmission following M/80/19/PL). This application is in CIL Zone 4 (Zero Rated) as 'other development'.

Thank you for your internet representation made on 23rd September 2020 which has been recorded as an objection with the comments as follows:

OWPC29812

The planning access that was granted in 2016 was for domestic use only as in was only for 13 houses. This access actually should never have been granted due to very likely destruction of protected trees, well used public footpath and complete loss of local amenity for local residents, not to mention complete traffic chaos for the whole of north Middleton on sea.

To use a tiny and very narrow dead end cul de sac in the middle of a residential estate which runs in between two houses as the main entrance to a massive commercial business operating day and night is beyond any reasonable comprehension and is a totally absurd plan.

This access is not suitable for any commercial use as it's too close to houses and would just be too dangerous!

The amount of HGVs driving down a residential street to service a large commercial operation will be enormous.

Middleton on sea is a small costal village and the roads were not designed for this use.

Your views as made above will be considered before the application is determined.
