Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/68/20/PL
Site Address: Poultry Farm 87 Yapton Road Middleton-On-Sea PO22 6DY
Description of works: Demolition of the existing structures & redevelopment to provide a new 66-bedroom care home arranged over two storeys together with associated access, car & cycle parking, structural landscaping & amenity space provision (resubmission following M/80/19/PL). This application is in CIL Zone 4 (Zero Rated) as 'other development'.

Thank you for your internet representation made on 9th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30210

The original planning for the houses in this location went against all sensible planning reasons. It was clearly allowed as a precursor to developing the whole area despite the official denial. After the disastrous traffic arrangement with the A259, no-one has any faith in the Council. This proposal for the care-home should fail for all the reasons already given for the original development application and should be taken as being repeated all again. They were surprisingly ignored then and will no doubt be again - inadequate road access, insufficient infrastructure, especially medical, are now the main objections. The proposal is out of all proportion to the area and its needs. It is the reverse of the Council's original permission for itself, despite the denial. Then it granted permission for a small number which we will be increased later - here apply for 66 rooms then reducing to "30" later to get permission after initial rejection as if doing us a favour when an application for "30" should never have been allowed in the first place. No wonder there is no trust in our Authorities or the system anymore.

Your views as made above will be considered before the application is determined.
