Subject: POULTRY FARM YAPTON ROAD MIDDLETON

Dear Sirs

Reference M/68/20/PL

I wish to object to the proposed building of a Care Home on the old Poultry Farm in the Yapton Road. Middleton people have been campaigning for over 17 years to improve the safety at Comet Cottage. The work carried out a couple of years ago has not made exiting onto the A259 any safer and the last thing we need is a home with all the staff and visitors adding to the congestion and traffic along the Yapton Road which is extremely narrow and trying to get out of the village onto the A259.

I have lived in Middleton for 50 years, the one thing the Village does not need is another housing developement or Care Home. Why have all the Farms not been re-let in Acton Lane and the Yapton Road?

Yours faithfully

Ann L Brooks
