Thank you for your internet representation made on 14th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30407

I would like to object to this application. This is a quiet part of the village, to put a building of this magnitude right on top of it is simply outrageous. It will transform the area negatively with unwanted activity and noise not expected when moving into the area. The building will require a huge amount of parking not currently available and which will spill into the road causing perpetual disruption in our peaceful area. It's not the right location and should not be allowed to proceed

Your views as made above will be considered before the application is determined.
