Thank you for your internet representation made on 14th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30411

This application must be refused due to security concerns raised by the local Constabulary as well as noise and light pollution for local residents. This area has previously flooded and any building will impact and add to an area already prone to flooding. There is insufficient parking for staff and residents and this will lead to disruption to local residents with the potential for disruption. There are protected trees with TPOs and these must be protected to aide environmental policies. The surrounding roads cannot cope with additional vehicles and there will be an impact on the accident black spot called Comet Corner. Disruption to local residents will be incomprehensible

Your views as made above will be considered before the application is determined.
