Comment:

When I first heard of the scheme to build a care home on the land west of Yapton road I thought it was a good idea, however since viewing the proposal I have reservations.

I note that the proposal is for a 66 bed care home to be staffed by 100 full and part time workers to cover the care of the occupants for twenty four hours, obviously in shifts. My concern is with I presume a third of the workforce on site and visitors during the day, the 29 car parking spaces provided could prove woefully inadequate.

Thought should also be given to vehicles trying to turn right when exiting the development on this very busy road.
