Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/71/20/HH
Site Address: 18 Sea Way Elmer Middleton-On-Sea PO22 6JY
Description of works: Construction of first floor dormer to provide enlarged bathroom and wardrobe/storage, construction of detached garage

Thank you for your internet representation made on 21st October 2020 which has been recorded as an objection with the comments as follows:

OWPC30586

The plans to extend and add a detached garage. for this holiday home would place properties in the Hard and Sea way at risk of further rainwater flooding. The green in front of our houses floods every year and their is limited drainage to the sea that is effected by tides. This development will impact drainage and add to the surface water that floods this area every year. Arun are aware of flooding and have stopped similar developments from adding to the flood risks and this application puts people that live here at risk and the development is not in keeping with any other houses in the area. It should not be passed by Arun planners.

Your views as made above will be considered before the application is determined.
