Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/73/20/HH
Site Address: 60 Southdean Drive Middleton-On-Sea PO22 7TB
Description of works: Replacement art deco style roof accommodation with balcony, removal of chimney breast, fenestration changes, and internal adaptations.

Thank you for your internet representation made on 4th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31006

My comments mainly relate to reduced privacy. At present there is no view into our house from the 3rd floor. The construction of a roof balcony appears to give casual line of sight into our rooms. Our rear garden would be totally overlooked, also. It is assumed that FF windows on the eastern side at the rear would remain partially obscured to maintain our privacy. I realise privacy screens would not have been commonplace when the original houses were built or modified. Should the windows be replaced additional obscured glass should be considered to increase our privacy.

The change of profile of the roof and increase in side area of the attic will block more of the natural evening light necessary for the craft study room, making it too dark to work earlier.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
