Thank you for your internet representation made on 15th June 2021 which has been recorded as support with the comments as follows:

The plans will be a great improvement to the existing building and it's nice to see a modern layout being applied to a tired old building.

The house will be an asset to Sea Way.

I am more than happy to have this modern family home next to my 100 year old cottage.

I wholeheartedly support this planning application.

Your views as made above will be considered before the application is determined.
