Dear Sirs

I am writing to advise of my support in relation to the above planning application made by Mr & Mrs Smyth. I suggest that the overall design and application of materials compliment the seaside landscape and vernacular of the Middleton on Sea Estate. The existing building has no architectural merit and is tired when compared to the street scene.

Furthermore I am pleased that the applicants are local to Bognor Regis and plan for the new building to be a permanent residence for the family.

Your Sincerely

Chris and Sandy Hales
