Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015**

Application No: M/76/21/HH  
Site Address: 38 Sea Way Middleton-On-Sea PO22 7SA  
Description of works: Erection of two storey side and rear extension and single storey front extension with balcony above

Thank you for your internet representation made on 25th June 2021 which has been recorded as support with the comments as follows:

OWPC37751

The plans for 38 Sea Way are thoughtfully constructed and minimise the overlooking aspect of a second storey to my first floor rooms. The new roof structure is imaginative whilst keeping the height at the current level which was a concern. Introducing a pathway between my boundary and the new build will enable on site maintenance from their side and will help minimise the line of sight of the flank wall across to my property situated directly behind and to the side. Overall a very positive and sensitive plan and I am very happy to give my support. Alistair has been very helpful in sharing their proposed ideas and supplied detailed information which is extremely helpful

Your views as made above will be considered before the application is determined.
