

1 Ilex way, Felpham, PO22 6PQ

The tree in question is a mature Sycamore located in in the front garden of the property above
The trees is in good health and provides good amenity value to the surrounding area

The Tree overhangs the garages to the west and the lowest in high winds do now touch the roof of the property.

The trees roots have caused a lot of damage over the years to the footpath and road.

The proposed work would be to crown lift the entire lower canopy to 5 metres in height, reduce the lateral canopy spread by 1.5 metres and the height by 1.5 metres
