5. Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Existing use is a front garden surrounded by shrubs/hedge. I would like to place a small fence 1metre in height around the existing garden. I believe there are no covenants i.e. open plan estate restrictions, in the deeds but cannot confirm this, hence this application.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use. Please note that following changes to Use Classes on 1 September 2020, the list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Is the proposed operation or use

☐ Permanent ☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The fence would be within the height allowable for a front garden, providing there are no covenants preventing a fence on this housing estate. It will also help to contain the shrubs in the front garden and provide a neater overall look.

6. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

☐ Yes ☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- (a) a member of staff
(b) an elected member
(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☐ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
