3 **Description of Development**

Ground floor and roof extension.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council PERMIT this development to be carried out in accordance with the application and plan and subject to compliance with the conditions specified.

CONDITION 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

CONDITION 2 No development shall be carried out unless and until a schedule of materials and finishes and samples of such materials and finishes to be used for external walls and roofs of the proposed extension have been submitted to and approved by the Local Planning Authority and the materials so approved shall be used in the construction of the extension.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a building of visual quality in accordance with policy GEN7 of the Arun District Local Plan.

CONDITION 3 The first floor windows on the northern elevation of the building shall at all times be glazed with obscured glass and fixed to be permanently non-opening.

Reason: To protect the amenities and privacy of the adjoining property in accordance with policies GEN7, DEV19 of the Arun District Local Plan.

CONDITION 4 This permission relates to the following approved plans, drawing 1/2, 2/3, 3/3, received 10th February 2010.

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy GEN7 of the Arun District Local Plan.

INFORMATIVE: Summary of Reasons for Grant Article 22(1) General Development Procedure Order 1995

SUMMARY
This planning permission was granted because, although the proposed development does not comply with the policies in the Development Plan Listed below in that it would not be visually subservient to the existing building, there are material considerations which indicate that it can be granted. These material considerations are that it would have no materially adverse impact on the visual or residential amenities of the locality.

NOTES RELATING TO PLANNING APPLICATION
TOWN AND COUNTRY PLANNING ACT 1990

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the First Secretary of State under section 78 of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so within 6 months of the date of this notice using a form which you can get from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

PURCHASE NOTICES

If either the local planning authority or the First Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on highway land).
