7th February 2012

Dear Miss Burrows,

Replacement Garage Red House, 100 Middleton Road PO22 6DL, Ref M/7/12

Thank you for your letter dated 1st February.

I have now signed the Agricultural Holdings Certificate and return the copy application.

I enclose 3 paper copies of the proposed floor plan to scale (1:50)

I enclose 3 paper copies of the proposed elevations to scale (1:50)

I enclose 3 paper copies of the block/site plan showing a recognised road. You will see from the original block plan that the scale had had to be reduced in order to show the nearest recognised road, this is because the property Red House stands in a large plot set back some distance from the road. I suggest both block plans are used in order to show the site of the proposed garage and the location of Red House in relation to Middleton Road.

I enclose the completed validation check list.

Yours sincerely

A black rectangular box redacting the signature of Grahame Brown.

Grahame Brown
