Hi Susan,

No new connections will be made as the existing drainage on site is sufficient, the existing driveway will remain as is. Thanks

Many Thanks

Subject: M/7/26/HH - I Harefield Road, Middleton-on-Sea

Dear Mr Dowling

Good morning

Yesterday I received application M/7/26/HH - I Harefield Road, Middleton-on-Sea and have noticed that although the application has been validated a statement regarding drainage is still required as the site is located within the Lidsey Treatment Catchment Area.

A short statement just explaining how the site will be drained and whether it's over existing hardstanding should be acceptable, but I have also attached the validation requirements and direct you to page 15, for you to decide on the information you need to submit relevant to the proposal.

Please note I am on annual leave from Thurs 2 April to Wed 8 April.

Kind regards

Susan Haley
