Dear Sir

re: Planning Application M/80/19/PL

I strongly object to the planning application stated above, a care home being built on the site of the poultry farm on Yapton Road.

The area is already overdeveloped on the edge of the village already, dangerous Comet Corner, Yapton Road and Silver Birch area. Silver Birch already has pot holes in the road (which I might add have completely been ignored by the Council), due to the already excessive amount of traffic already using this road.

There will be inadequate parking at the care home for staff, visitors etc. I live in a cul-de-sac off Silver Birch which is already always congested with owners of properties own vehicles.

There will be a lot of disturbance day and night in the area, and noise which is supposed to be a residential area.

There will be a disturbance for a Public Right of Way footpath, which is used by myself, other dog walkers and children who live in the area.

Thanking you for your attention.

Yours sincerely

June M Jacobs
