Dear Mr Roberts

I have no real objections to a care home being built on the site of the old poultry farm on Yapton Road but I do disagree strongly with the probable destruction of trees which have TPOs on them and feel that an alternative entrance (probably from Yapton Road) is more acceptable.

Yours sincerely

Dear Mr Roberts

I think that the residential area of Silver Birch Drive is unsuitable to build a care home in. The erection of a care home will create a lot more traffic in the Silver Birch area which is already struggling to provide parking spaces for existing residents.

It is also very wrong to damage 2 Ash trees and 1 Maple tree which have preservation orders on them. The preservation of trees is important and orders placed on them should not be revoked on a whim.

Yours sincerely

Dear Mr Roberts

Considering the extremely busy & dangerous junctions at the A259 and Yapton Roads I do not think that we should be putting any further pressure on the roads in this area by building a care home. A care home would attract many vehicles including those of doctors, specialists, nurses, cleaners, maintenance staff, entertainers & visitors.

Yours sincerely

Ryan Bishop
