Dear Sir,

I must object in the strongest possible terms to the above Planning Application by Frontier Estates. This is most inappropriate and would be an extreme detriment to the local area. Such a large development would cause a huge increase in heavy vehicles during the construction, and major parking issues on completion with many cars parking on local roads. Added to this, the already dangerous Comet Corner is bound to be affected.

I was shocked to learn that the whole length of the Public Right of Way footpath has been purchased by Frontier Estates. Not to mention 3 trees which are subject to a T.P.O.

The safety of children and local people can not be stressed strongly enough.

Yours sincerely
