26 South Drive
Felpham PO22 7PZ

Dear Sir

I wish to object to the above planning application for the following reasons.

- ① It is going to be built in a location with no bus service. Presumably most of the inmates will be elderly. How are their wives, partners, friends without cars able to visit. There is an intermittent bus service to Middleton which does not operate every day.
- ② Silver Birch Drive already has many potholes near the access road and the extra traffic will make these worse
- ③ The planning application shows insufficient parking places on the site. So the adjoining roads will become a Frontier Estates Car Park. As a driver who frequently gives lifts to elderly people living nearby this is going to make it more difficult for disabled people to get to where I have managed to park.

- ④ Assuming planning permission is given one hopes that the inevitable increase in accidents at Comet Corner will ensure that our long awaited and needed roundabout will be built. If the application is granted why not make it a condition!
- ⑤ I live in a road that twice a day becomes the car park for the local school and can vouch for the fact people DO NOT park sensibly. I have witnessed an ambulance driver knocking on doors to get cars moved. A Biffa refuse lorry trapped. Even my drive is blocked.

Yours faithfully

(Mrs C. J. PARR)
