Middleton-on-Sea

RECEIVED

P02269X

22nd October 2019

Dear Sir,

Frontier Estates' Planning Application M/80/19/P6

My objections to the erection of the Care Home to be built on the existing Poultry Farm via Yapton Road are: -

The extra flooding in the road which can be bad now. The drainage appears to be inadequate at the present time.

The extra traffic it will bring into this road will make it almost impossible to join the A259. Yapton Road is not wide enough to take a higher volume of traffic.

The parking at the "Home" does not seem big enough for staff visitors, etc., which will result in the nearby roads having parking

outside their properties.

Yours sincerely,

A solid black rectangular box used to redact the signature of the sender.
