PO 22 7QZ.

22nd Oct. 2019.

Dear Mr Roberts,

I am writing to you to express my concern at the proposed 66 bedroom Dementia Care Home planned to be built on the derelict Garton Rd, Poulton Farm in Middleton Application M/80/19/PL. Having recently looked at the site I feel a building of this size is completely unsuitable and inappropriate for this area. Access to the Home will have to be in either Garton Rd, or Silver Birch Drive and in both cases prove a hazard to other road users. The infrastructure in the area is not adequate for the present residents and flooding frequently occurs in wet weather. To build a large care home

would obviously cause further problems with drains etc.

I feel particularly concerned for the residents of Silver Birch Drive who maybe overlooked by a large three-story building & find their road used as a parking area.

I also feel strongly that a home of this size is not suitable for dementia sufferers. It is reminiscent of the old Victorian Workhouse or Asylum. None of us know if we may not suffer in future from this lamentable illness and can only hope that if we do we are placed in relatively small caring homes rather than large impersonal ones.

Yours faithfully,
