Re: Frontier Estate Planning Application
H/80/19/PL

I wish to object to the above application
on the following grounds.

1. Highway safety - during building
works where large vehicles will be
employed, and following completion,
there there would not be adequate
access.
2. Inadequate site parking which would
lead to parking on neighbouring roads
which are already used to capacity.

I consider this development to be totally
unsuitable in the area proposed & it will
obviously impact on the A259 & beyond
as well as the immediate surroundings
