Subject: Planning Application M/80/19/PL

Dear Mr Lynn,

I would like to formally request that the decision on this planning application is deferred indefinitely until all the unanswered complaints in relation to the above planning application have been dealt with satisfactorily. Official complaints have been registered with Arun District Council, and so far I believe many are 'not satisfied with the reply they have received.'

I understand that some of the complaints are going to stage 2 in your planning process and letters are going to the Corporate Complaints Administrator. This process is clearly outlined in the Arun District Council Complaints Procedure Guidance Notes. Therefore it would be wrong to make any decisions on the outcome of planning application M/80/19/PL until all complaints have been fully investigated.

If the complaints are upheld it will affect the overall decision on this planning application. Therefore, I am requesting that no work whatsoever should take place on the proposed development site and no decision by the planning committee until ALL complaints have been answered satisfactorily.

Your sincerely

Louise Alger
