13/1/20

Dear Mrs Gardner

Ref - Planning Application M/80/19/PL
Yapton Reed Poultry Farm

Please find enclosed 5 pictures which were taken on the 20/12/19. I would like to register all these pictures as objections in the strongest terms to this planning application.
Picture

- 1) All ditches adjacent to the proposed development are at full capacity
- 2) Ditches are very close to houses and proposed entrance to the site at full capacity
- 3) Ditches run immediately behind garden fences are also full.

This picture shows how close houses are to this development plan as the back gardens are small.

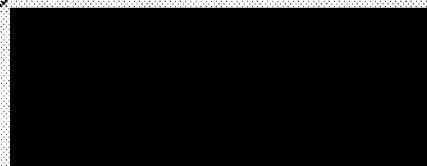

④ This picture was taken on Yaphon Road on 20/12/19. There is an incredible amount of surface water lying on top of the proposed development site. The clay soil is completely saturated and the dew pond is becoming bigger as the weeks pass with the heavy rainfall.

These issues MUST be taken into consideration.

⑤ Middleton on Sea Yaphon Road.
This picture shows surface rainfall on the 20/12/19.
The Road was impassable.
cars could not get through easily.

Please register these pictures as objections

yours sincerely

(Haise Alger)
