Dear Sir

Thank you for your email, in regards to the plan you are required to only have a red outline around the site on both the location and block, please remove all other red outlines on the plan. The proposed extension should also be clear on the block plan at present half the house is dots, a simple outline of the house would be sufficient (like the original) but with the proposed extension shown with dimensions on the block plan to the site boundaries. The dimensions you have provided are sufficient however the rest of the plan is not.

Kind regards

Sian Eggington
