Hi. Zac,

Thanks for your email. Regarding the materials we will using fibre cement board as for the color we are undecided on the actual shade light grey / light cream do we need confirm the color at this stage. As mentioned previously the roof tiles will be slate grey in color. As for the others materials, we will be using steel and blocks. Please could you confirm you are happy with this.

Kind regards
Stewart and Jackie

Hi Zac,

Apologies for the confusion with Mark. The drawings show the roof tiles being blue, when in fact they will be slate grey. Many thanks for your assistance.

Kind regards

Hi Zac,

Please could you check the description in the development section. I don't think this reflects the drawings we have submitted. It refers to 2 x dormers **and** 1 x front and 1 x rear dormer.

As far as we are aware we are only asking for 1 x dormer and 3 roof lights, not sure if this would have a bearing on things but the letter states if any concerns on the way the application is described to contact you.

Kind regards
