Hi Ms Malik,

I can confirm we are connecting to existing drainage which connects to mains sewers.

Kind Regards,

Harry Campbell

Good afternoon,

This application is still invalid due to the following reason:

Lidsey Foul Water - Environmental Assessment Statement

The site for this planning application lies within the Lidsey Foul Water Treatment Catchment Area, please confirm whether your scheme is going to involve works which would require connection to foul drainage and whether you will be connecting to the existing public mains drainage system. If you are not and you will be connecting into a septic tank, cesspool or other means of private independent facility, you will need to submit an environmental assessment. Further details of what should be included in the statement can be found in the Validation Requirements List.

Kind Regards
Ms Malik
