Support with conditions,
Members agreed to support the application subject to certain conditions that have been raised on an objection from 16 Manor Way. There is also a planning application M/89/20 for 16 Manor Way.
Both M/82/20 and M/89/20 planning applications need to be considered at the same time so that the objections raised can be resolved.
It is suggested that the drawings for planning application M/82/20 are inaccurate on a number of issues and therefore needs investigation.
Roof design needs to be agreed
Privacy screen on balcony required.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Yours sincerely
