Dear Mr Salter,

Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) - Article 10

Application for a non-material amendment following a grant of planning permission M/49/17/HH relating to reduction of roof slope to single storey extension and use of felt instead of tiles. Deo Gratias, Yapton Road, Middleton on Sea,

I refer to your recent application for a Non Material Minor Amendment.

Non-material amendments are considered to be those changes which are insignificant and do not change the intensity, form or description of the original planning permission. They cannot change the intensity of the original planning permission, result in a change to the description of the application or conflict with any conditions of the original permission.

The Non-material amendment relates to the reduction of the roof slope to a single storey extension and change of felt to tiles. These amendments are specified on drawings named as follows:

- Existing Plans - 0417:2 - May 2017
- Extensions and Alterations - 0417:1 - May 2017

The proposed details are accepted as a Non-material amendment and now become the approved details for M/49/18/HH.

I trust this information is of assistance to you.

Yours sincerely

Neil Crowther
Group Head of Planning
