Subject: Planning Application M/85/20/PL

Hi

The above application relates to the Elmer Tandoori Restaurant that has been closed and recently sold I believe, hence this planning application. Looking at the application it states no work has taken place, this is not

correct. There has been removal of items from the restaurant area (kitchen, tables, chairs etc.), also workers have been on the roof and re-laid the flat roof.

I also understand that this is going to be a Beauty Salon but see no mention of this in the application. Do you know of any further planning applications with regard to change of use if needed .
